Warranty

This warranty shall run only for a period of one year from the date of purchase and L.E.D.'s obligations under this Warranty are limited to remedying any defect or replacing defective parts, and shall be effective only if the defective unit is shipped to L.E.D., postage pre-paid, within 12 months after purchase. Damage due to abuse, misuse, inadequate wiring or insulation is not covered under this warranty.

In not event shall L.E.D. or any other seller be liable for any other loss or damage, including consequential or special damages that may arise through the use by a purchaser or others of this device and the purchaser will hold harmless L.E.D. in respect of all such loss.

L.E.D., Inc. reserves the right to make improvements or changes to these products without prior notice. Although every attempt is made to insure that this information is accurate and up-to-date, please check with L.E.D. to confirm product availability, latest specifications and suitability for your application.
